DRACULA A.D. 1972

(1972) 96 min

London's become a small town for a handful of jaded psychedelic-era hipsters. Johnny Alucard has a new way for his pals to get their kicks. Dracula is raised from the grave into the modern era in this Hammer Studios shocker.

(1977) 92 min

One of the most beautiful, dream-like horror films ever conceived, the crowning achievement of director Dario Argento. Soundtrack by pioneering, synth prog rockers Goblin.
